

System Design Document for Barcode Scanner Project (SDD) - Group 30

Christian Svensson Olle Andreasson Olof Karlsson
Rasmus Letterkrantz

May 20, 2013

Abstract

1 | Introduction

TODO

1.1 Design Goals

TODO

1.2 Definitions, Acronyms and Abbreviations

TODO

- GUI, Graphical User Interface.

2 | System Design

TODO

2.1 Overview

TODO

2.1.1 The Model Functionality

TODO

2.2 Software Decomposition

TODO

2.2.1 General

TODO- What parts are our software split into?

2.2.2 General

TODO

2.2.3 Layering

TODO

2.2.4 Dependency analysis

TODO

2.3 Concurrency Issues

TODO

2.4 Persistent data management

TODO

2.5 Access control and security

TODO

2.6 Boundary conditions

TODO

3 | References
